

### Waiver Request to Allow Child to Play Up One Age/Weight Division

I / We as parent(s)/guardian(s) of \_\_\_\_\_ request a waiver from HSYFC Tackle Football to allow him/her to play football in the following, selected age/weight division:

Freshman

JV

This division is one (1) age/weight division older than the division he/she is qualified to play within and the decision to move up to this age/weight group has been made entirely by me/us without any prompting, encouragement or request of any sort by any representative of Holly Stampede Youth Football, Cheer, Poms, and Flag (HSYFC) or any of the independent associations which comprise HSYFC. I/We acknowledge that the inherent risks associated with the playing of any sport are increased by playing in an older age/weight group. I/we accept full and total responsibility for this decision and agree to hold harmless HSYFC , all HSYFC associations and all officers, board members and officials of HSYFC and the affiliated associations of HSYFC in the event of injury or other harm that may result from this move up.

I/We acknowledge that I/we have been counseled about and am/are aware of the possible consequences of allowing my/our player to play at an older age/weight level. I/we also acknowledge that while the final decision to allow a player to move up one age/weight group will be made by Holly Stampede Youth Football, Cheer, Poms, and Flag or a representative thereof, Holly Stampede Youth Football, Cheer, Poms, and Flag is in no way responsible for initiating this request and is in no way responsible for any unintended or harmful consequences resulting in whole or in part from this move up.
